July 4th, 2019

Dear TANA Delegate:

Welcome to 22nd Biennial TANA conference to be held from July 04 - July 06, 2019 at the Walter E Washington Convention Center in downtown Washington DC. On behalf of the organization and the Conference Committee we invite you to come and grace the festivities, commercial exhibits, social and cultural events and the women, youth and senior citizen focused events. The power of integration and unity leading to our success as a community is the central idea as represented through our conference theme "Ikyata - Naipunyam and Purogamanam" - standing for Unity, Skill and Progress.

The invitees list is an ensemble of the most popular proponents and stalwarts of various fields without compromise. The cultural, literary, women’s forum, alumni, CME, business, youth and spiritual seminars and Srinivasa Kalyanam (with deities and priests from Tirupati) are each individually so imposing and overpowering that they posed a great challenge with the schedule as we tried to minimize parallel events to provide comprehensive multifaceted entertainment to all our patrons.

The 22nd TANA Conference is intended to be the actionable showcase of the intellectual, social and cultural confluence of the Telugu people across the Telugu States and North America to show solidarity and commitment to bring our common goals and dreams to fruition.

We are striving to provide the best possible experience and would be always available to you should you need any additional information. Please contact the nearest Information Desk/Guest Services desk for additional information.

Sincerely,

Satish Vemana, President, TANA and Dr. Mulpuri Venkata Rao, Coordinator
